DETAILED ACTION

Allowable Subject Matter

1. Claims 21-50 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The current invention discloses a portable phone with soft key functions, in that a soft key in a first picture (screen) is pressed, a function displayed in a corresponding area is executed and a second picture is then displayed. In case when no function is displayed in the corresponding area in the second picture, the soft key is assigned to a default function.

Prior arts cited in the previous office actions fail to teach the claimed limitation of assigning a default function to a soft key in a second picture.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
